

DO YOU WANT TO CHANGE THE PACE OF MEDICINE?

Medpace is seeking healthy adults age 18–65 with mild to moderate hypertension to participate in a research study of an investigational medication.

Eligibility requirements include:

- Healthy adults age 18-65 with mild to moderate hypertension
- BMI range 18-35
- Not taking prescription or over-the-counter (OTC) medications (*hormonal birth control is OK*)
- No nicotine or tobacco-containing products in the past 6 months
- Must pass a urine drug (includes THC), nicotine and an alcohol breath test. *Participants who test positive or provide an invalid urine sample will not receive payment or compensation for the screening visit.*

This study requires 16 outpatient visits (includes screening) plus one separate 4-night stay at our Phase 1 unit in Cincinnati, OH. Compensation for participation and travel up to \$13,900.

For more information, call 513.366.3222 or visit medpace.com/study-participants/faqs/
