

CARDIOVASCULAR CLINICAL DEVELOPMENT

AN EXPERIENCED PARTNER TO DRIVE EFFICIENCY

RECENT 5 YEAR GLOBAL EXPERIENCE

FROM EARLY RESEARCH THROUGH LARGE GLOBAL OUTCOME STUDIES

277
STUDIES

12K+
SITES

69K+
PATIENTS

65
COUNTRIES

A RECOGNIZED LEADER IN MANAGING CARDIOVASCULAR DRUG/DEVICE TRIALS

INDICATIONS

- Acute coronary syndrome
- Coronary artery disease
- Hypertension
- Cardiomyopathies and heart failure
- Arrhythmias
- Atherosclerosis

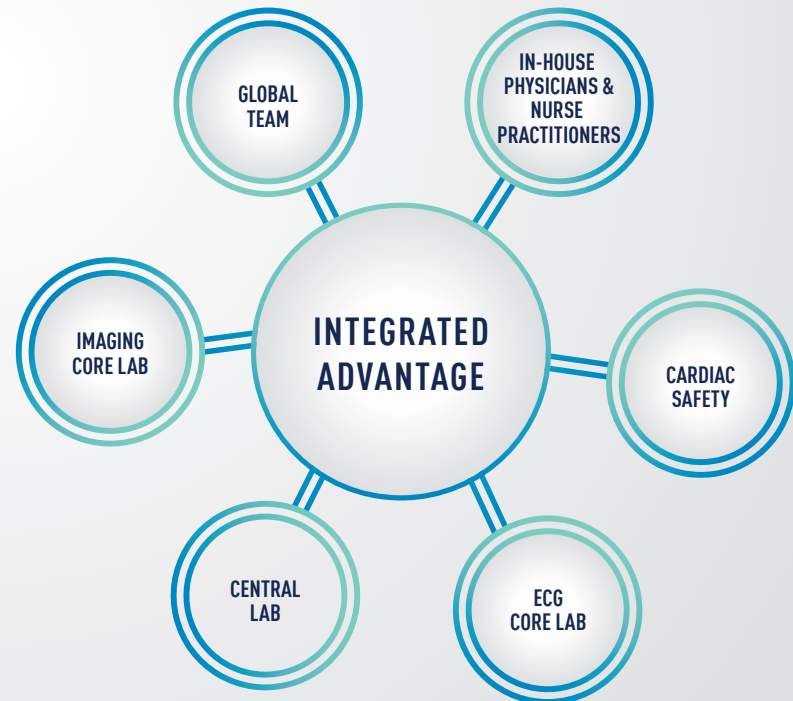

SPECIALTIES

- Rare and inherited diseases and orphan indications
- Cell and gene therapies
- Precision medicine
- Pediatrics
- Device/drug combination

RELATIONSHIPS AND RESOURCES

WORLDWIDE CONNECTIONS FOR SUCCESSFUL STUDIES

- Global long-term relationships with experienced sites, key opinion leaders, advocacy groups, and academic research organizations
- Integrated imaging and central lab services, ensuring seamless logistics, review and testing
- Cardiovascular medical experts who provide strategic, educational and practical leadership
- Experienced Trial Managers to drive efficiency and quality
- Comprehensive CV training program for all operational staff
- Best positioned to partner with small to mid-sized biotechs

ACCELERATING THE GLOBAL DEVELOPMENT OF SAFE AND EFFECTIVE MEDICAL THERAPEUTICS

OUR CARDIOVASCULAR LEADERSHIP IS STRENGTHENED BY SCIENCE, INNOVATION, AND COLLABORATION

MEDICAL

Nicholas Alp, MD, PhD,
FACC, FRCP
Vice President
Medical Department

Richard Lee, MD
Medical Director

Marco Tangelder, MD, PhD
Senior Medical Director

Reinilde Heyrman, MD
Vice President
Medical Department

Dean Kereiakes, MD.,
FACC, FSCAI
Vice President
Medical Department

Liz Moore, MSN,
CPNP-AC, CPN
Advanced Clinical
Practitioner

OPERATIONS

CENTRAL LAB, IMAGING CORE LAB, ECG CORE LAB, BIOANALYTICAL LAB

Leah Yards, RN, BSN
Vice President
Clinical Trial Management
Therapeutic Lead:
Cardiovascular,
Renal & Metabolism

Kathy Loxterkamp, RN, BSN
Director
Clinical Trial Management
Therapeutic Lead:
Cardiovascular,
Renal & Metabolism

Traci Turner, MD
Vice President
Central Laboratories

Evan Stein, MD, PhD
Director Emeritus
Central Laboratories

Salvatore Zabbatino, MD
Senior Director
Imaging & ECG Core Labs
